

UNEXPECTED MONEY

By Dr. Raymond Charles Barker

SMILE

I now subconsciously accept this treatment. There is only one Creative Cause, God. There is only one Mind, God. There is only one Life, God. There is only one Substance, God. This present universe is the Glory of God. It is moving, flexible, fluidic creation, it is alive with the Life, the Abundance, and the Richness of God. I abide in prosperity. Mind created me in order that It might act through me. Therefore, I am receptive to Its abundance. I am receptive to Its circulation in my life in the form of money. Money is God's Idea of circulation in my world of finance. I accept this Idea completely. I appreciate this Idea; I like it. Money being God in Action, is absolute good, it is wholesome. It is a blessing to me, and I am now prospered with it. I have no fear of lack for I believe that I have plenty of money. It is God's Activity in my world. It is God's Activity in my bank account. It is God's Activity in my investments. It is God's Activity in everything to which I lay my hands. This money is flowing, this money is free. I do not attempt to lock it up. I do not put a fence around it. It is God's money, I let it flow in, I let it flow out. As I release it, I know that it comes back to me, pressed down, shaken together and running over. "The Lord is my shepherd, I shall not want." I am now free in money. I rejoice in it. I appreciate it, and I thank God for it. I have money forevermore. So be it. **SMILE**
