

UNITY'S 33 STATEMENTS OF FAITH

These were written by Charles & Myrtle Fillmore in the early 1920's and are often referred to as the list of Unity Beliefs or Unity Principles.

1. We believe in God, the one and only omnipotent, omniscient, and omnipresent Spirit-Mind.
2. We believe in Christ, the Son of God, in whom is imaged the Ideal Creation, with perfect Man on the throne of dominion.
3. We believe in Christ Jesus, the Son of God made manifest in Jesus of Nazareth; who overcame death, and who is now with us in his perfect body as the Way-shower in regeneration for all men.
4. We believe in the baptism of the Holy Spirit, whose law of love is perpetually establishing the Divine Plan in man and in the universe.
5. We believe in the supremacy and the eternity of the Good, as the one and only reality of man and of all things visible and invisible.
6. We believe in the twelve Disciples, the twelve Powers of Man, going forth into mind and body with authority to teach, preach, heal, and wholly save man and the world from sin, sickness, and death.
7. We believe that "God is Spirit," as taught by Jesus, and that all of his Spirit is with us at all times, supplying every need.
8. We believe that Divine Intelligence is present in every atom of man and matter, and that the "more abundant life" promised by Jesus is flooding the world and quickening the minds and bodies of men everywhere.
9. We believe that the original "authority and dominion" given to man was over his own thoughts, emotions, feelings, passions, and that in the lawful exercise of this authority he will harmonize all discords within and without, and restore the kingdom of God in the earth.
10. We believe in the creative power of thoughts and words, that they do accomplish what whereunto they are sent, and that all men are held accountable for their lightest words.
11. We believe that, through indulgence in sense consciousness, men fell into the belief in the reality of matter and material conditions. We believe that the "kingdom of

God" can be attained, here and now, by overcoming the world, the flesh, and the devil, through Jesus Christ.

12. We believe in the atonement that Jesus re-established between God and man, and that through him we can regain our original estate as Sons of God.
13. We believe that the prayer of faith shall save the sick, resurrect the body from "trespasses and sins," and finally overcome the last enemy, death.
14. We believe that Jesus Christ, the Son of God, is alive and in the world today. We believe that the "more abundant life" promised by Jesus, is poured into the race stream as a vitalizing energy, and when accepted in faith, purifies the life-flow in our bodies and makes us immune to all diseased thoughts and germs.
15. We believe that sense consciousness may be lifted up, "as Moses lifted up the serpent in the wilderness" and all men be again restored to paradise through faith, understanding, and practice of the Divine Law, as taught and demonstrated by Jesus Christ.
16. We believe that the Holy Mother, the Divine Feminine, is now being restored to her righteousness, and that she will reign equal with Jehovah in the heavens and the earth.
17. We believe that we live, move, and have our being in God-Mind; also that God-Mind lives, moves, and has being in us, to the degree of our consciousness.
18. We believe that the body of man is the highest formed manifestation of Creative Mind, and that it is capable of unlimited capacity in expressing that Mind. "Know ye not that your body is a temple of the Holy Spirit?"
19. We believe that through conscious union with Jesus in the regeneration, man can transform his body and make it perpetually healthy, therefore immortal, and that he can attain eternal life in this way and in no other way.
20. We believe that the "blood" of Jesus represents the consciousness of eternal life; that the "body" of Jesus represents the consciousness of incorruptible substance. We believe that these are original elements in Being and that they can be appropriated by all who through faith and understanding attain the Christ standard of spirituality.
21. We believe that spirit, soul, body, are a unit, and that any separation of these three is transgression of the Divine Law. We believe that the death which came into the world through the Adamic man resulted in body dissolution, and that the restoration

of the lost Eden is already begun, in the demonstration over the death of the body, as shown in the resurrection, by Jesus.

22. We believe that the separation of spirit, soul, body, caused by death, is restored by rebirth of the same spirit and soul in another body here on earth. We believe the repeated incarnations of man to be a merciful provision of our loving Father for the final restoration of the whole race through regeneration to a deathless estate here on earth.
23. We believe that the kingdom of heaven or harmony is within man, and that through man the law and order existing in Divine Mind are to be established in the earth.
24. We believe that the "second coming" of Jesus is now being fulfilled; that his spirit is flashing from the east even unto the west, and that all men will feel its quickening.
25. "For as the lightning cometh forth from the east, and is seen even unto the west; so shall be the coming of the Son of man." "Watch therefore: for ye know not on what day your Lord cometh."
26. We believe that the Great Commandment, or Golden Rule, given by Jesus in Matthew, is the foundation of the law of life to be established in the earth between men.
27. We believe that Jehovah God is incarnate in Jesus Christ, and that all men may attain the same perfection by living the righteous life. "Ye therefore shall be perfect, as your heavenly Father is perfect."
28. We believe that the *Word of God* is the thought of God expressed in creative ideas and that these ideas are the primal attributes of all enduring entities in the universe, visible and invisible. The *Logos* of the first chapter of the Gospel of John is the God Idea or Christ that produced Jesus, the perfect Man. We believe that the Scriptures are the testimonials of men who have apprehended the Divine Logos, but that their testimony should not be taken as final.
29. We believe that all life is sacred and that man should not kill nor be a party to the killing of animals for food; also that cruelty, war, and wanton destruction of human life will continue as long as men kill animals for food.
30. We believe that the misuse of the generative function is responsible for the majority of human ills. Therefore, we believe that purity and control of sex are essential to health and the final overcoming of death.
31. We believe in the final resurrection of the body through Christ. We believe that we do free our minds and resurrect our bodies by true thoughts and words, and that

this resurrection being carried forward daily, will ultimate in a final purification of the body from all earthly errors. Through this process, we shall be raised to the consciousness of continuous health and eternal life here and now, following Jesus Christ in the regeneration or "new birth."

32. We believe all the doctrines of the Christian church, spiritually interpreted.

33. Almighty Father-Mother, we thank thee for this vision of thy omnipotence, omniscience, and omnipresence, in us and in all that we think and do, in the name of Jesus Christ. Amen!
